Final Authorisation on Price for Essential Pharmaceutical Products

Quarter 3 2018

**Fijian Competition and Consumer Commission
(FCCC)**

Date Issue: 13 July 2018

**© Fijian Competition and Consumer Commission
"To promote Competition in the Fijian Markets"**

Authorisation on Price for Essential Pharmaceutical Products

1. Pursuant to Section 41 of the Fijian Competition and Consumer Commission Act 2010 and the FCCC (Price Control) (Control of Prices for Food Items) Order 2015, FCCC makes the following authorisation for the Essential Pharmaceutical Products.

Citation and Commencement

2. This Authorisation is cited as Final Authorisation on Price for Essential Pharmaceutical Products for Quarter 3 2018 and is effective from **16 July 2018**.

Maximum prices

3. (a) The prices set out in Schedule 1 herein shall be the maximum rates applicable, as the case may be, at which the goods and services mentioned therein may be supplied as listed in Schedule 1.

(b) No new charges shall be levied unless authorised by FCCC.

Conditions to this Authorisation

4. The following conditions apply for the purpose of this authorisation.

(a) Importers, Wholesalers'/Distributors and Retailers of the Price Controlled Pharmaceutical items specified in the list in this Authorisation must always make available these items and quantities to the consumers. In case where the specified products are not available proportionate prices **MUST** be applied to all quantities **vide Section 50** of the FCCC Act 2010, read as follows:

"Where the quantity of goods sold or offered for sale is greater or less than the quantity specified in an order made under the provisions of subsection (1) of section 44 such goods shall, subject to any express provision to the contrary in the order, be sold or offered for sale at proportionately increased or diminished price as the case may be".

For removal of doubt, if the price controlled item cough syrup 100ml with MRP set at \$ 2.00 is not available in stock, then any other quantity of the same item that is available must be sold at proportionate price. For instance if 110 ml of the cough syrup is available and the 100ml is not there, 100ml should be priced as: Price of 110ml = $(2.00/100)*110 = \$2.20$.

- (b) Where the maximum price of an item listed in Schedule 1 is required to be rounded off the nearest whole number, it should be done on the total prices rather than on individual unit(s).
- (c) The re-wholesale price will be applicable to traders engaging in the distribution/re-wholesaling of the items in schedule 1 with a maximum mark-up of 5% (five percent) on the maximum wholesale price stipulated in this schedule. This will be allowed on a case by case basis. However, justification for this increase has to be submitted to FCCC and FCCC will make an assessment and approve re-wholesale prices where applicable. The **Maximum Retail Prices** however will remain unchanged.
- (d) The pharmaceutical trader should at all times make available in their pharmacy **at least one item** from each of the categories listed in the attached price list.
- (e) A further **dispensing fee of \$0.45 VEP** is allowed on each item prescribed by a physician as is the current practice.
- (f) Furthermore, **FCCC Price List must be displayed** at a prominent place within all traders' premises.
- (g) FCCC will closely monitor the market to ensure that the items specified in Schedule 1 are always made available in the market and also the prices of the non-controlled items are not unjustifiably inflated.
- (h) The Pharmacists and other staff members working at the retail end **MUST** ensure that consumers are always advised about the availability of the price controlled items to enable them to make an informed decision.
- (i) FCCC reserves the right to review the list of price control items at any time it considers necessary upon consultation with all relevant stakeholders.

Expiration of the Authorisation

5. The above authorised fees and charges expires on 15th October 2018 unless the authorisation is varied, extended or earlier revoked.
